Section 2.2 Property.

The Community is located in the City and County of Denver, State of Colorado. The Property subject to this Declaration is described in *Exhibit A* of this Declaration, in the Original Declaration, in the Map, and/or as is consistent with the common plan and scheme for the creation and operation of the Community. Easements for utilities and other purposes over and across the Units and Common Elements may be as shown upon a recorded plat or the Map of the Community, and as may be established pursuant to the provisions of this Declaration, or granted by authority reserved in any recorded document.

Section 2.5 Easements for the Association and Owners.

Each Unit shall be subject to an easement in favor of the Association, acting through the Board of Directors (including its agents, employees and contractors), and to each Owner to allow for their performance of obligations in this Declaration. On exercising this easement right, the party exercising the right shall be responsible for any resulting damages. Non-emergency repairs shall be made only during regular business hours on business days after at least 24 hours' notice to the occupants of a Unit wherein repairs are to be made. Emergency repairs may be made at any time, and in emergency situations the occupants of the affected Unit shall be warned of impending entry as early as is reasonably possible. The Association shall have an easement to enter a Unit to inspect for events which may be causing waste of water, heat or any other utility provided by the Association or paid as a part of Common Expenses. Section 2.6 Easement for Encroachments.

If any part of the Common Elements encroaches or shall hereafter encroach upon a Unit, an easement for the existence of such encroachment and for the maintenance of the same shall and does exist. The easement shall extend for whatever period of time the encroachment exists. Such easements for encroachments shall not be considered to be encumbrances either on the Common Elements or on a Unit. The actual location of a Unit shall be deemed conclusively to be the property intended

Section 2.7 Owners' Easements of Enjoyment.

Every Owner shall have a right and easement of ingress and egress and enjoyment in, to, and over the Common Elements and Limited Common Elements appurtenant to his or her Unit, and such easement shall be appurtenant to and shall pass with the title to every Unit, subject to the following rights of the Association, acting through the Board of Directors unless otherwise specified:

(g) the right of the Association to close portions of the Common Elements for maintenance, repair, replacement, and improvement; and

(h) the right of the Association to change use of, add or remove improvements to the Common Elements, including the Common Element roof.

It shall be the affirmative duty and responsibility of each Owner, and each user of the Common Elements, to continuously inspect the same for any defects or perils or other unsafe conditions or circumstances, prior to and during such use or enjoyment thereof; and all users of, and visitors to, the Common Elements and their improvements and facilities shall use, enjoy, and visit, the same at their own risk and peril.

All corporate or other powers of the Association, unless otherwise specified or expressly reserved to the Members in the Governing Documents, shall be exercised by or under the authority of the Board of Directors, and the business and affairs of the Association shall be managed under the direction of the Board of Directors. The Board of Directors may, by written resolution, delegate authority to a manager or managing agent for the Association, provided no such delegation shall relieve the Board of final responsibility. The Association may exercise any right or privilege and shall perform all duties and obligations expressly granted or reasonably necessary or implied in the Governing Documents to effect such right or privilege or to satisfy such duty or obligation.

Section 3.4 Managing Agent.

The Association may employ or contract for the services of a licensed managing agent to whom the Board may delegate certain powers, functions, or duties of the Association, as provided in the Bylaws of the Association. The agreement shall be by written contract having a term of no more than three years and shall be subject to cancellation by the Association on 30 days' notice, with or without cause, and without a cancellation fee. The Board shall not be liable for any omission or improper exercise by a managing agent of any duty, power, or function so delegated by written instrument executed by or on behalf of the Board.

The Board has the right to terminate professional management of the Association and assume self-management; provided, however, that the Association will still be required to use outside professional services for legal and accounting functions.

Section 3.5 Allocated Interests.

Except as set forth in Article 6 with respect to liability for special assessments, the ownership interest, Common Expense liability and votes in the Association allocated to each Unit are set as follows:

- (a) the percentage of ownership of the Common Elements, as set forth in Exhibit B of this Declaration; and
- (b) the percentage of liability for Common Expenses, as set forth in Exhibit B of this Declaration; and
- (c) the number of votes in the Association, equally.

Section 3.6 Indemnification.

To the full extent permitted by law, each officer, director or committee member of the Association and other volunteer appointed by the Board of Directors shall be indemnified by the Association against all expenses and liabilities including attorney fees, reasonably incurred by or imposed upon them in any proceeding to which they may be a party, or in which they may become involved, by reason of being or having been an officer, director, committee member or other volunteer of the Association, or any settlements thereof, whether or not they are an officer, director, committee member or other volunteer appointed by the Board of Directors at the time such expenses are incurred, pursuant to the indemnification provisions set forth in the Bylaws and Colorado law.

Section 3.7 Security Disclaimer.

The Association may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve security in the Community; however, each

Owner, for himself or herself and his or her tenants, guests, licensees and invitees, acknowledges and agrees that the Association is not a provider of security and shall have no duty to provide security in the Community. Furthermore, the Association does not guarantee that non-residents will not gain access to the Community and commit criminal acts in the Community, nor does the Association guarantee that criminal acts in the Community will not be committed by residents. It shall be the responsibility of each Owner to protect his or her person and property and all responsibility to provide such security shall lie solely with each Owner. The Association shall not be held liable for any loss or damage by reason of failure to provide security or the ineffectiveness of measures taken.

Section 3.8 Education and Training.

As a Common Expense, the Association shall, in accordance with the Act, provide education and training opportunities for Owners, residents and occupants, including providing funding and permitting use of facilities for such purposes. The Association shall provide education and training activities as a tool for fostering Owner, resident and occupant awareness of governance, operations and concerns of the Community and of the Association. Appropriate educational topics include dispute or conflict resolution, issues involving the Governing Documents, and education or topics benefitting or contributing to operation or governance of the Community and the rights and responsibilities of Owners and the Association. - (b) promptly report to the Association or its agent any defect or need for repairs, for which the Association is responsible;
- (c) pay for the cost of repairing, replacing or cleaning up any item which is the responsibility of the Owner but which responsibility such Owner fails or refuses to discharge (which the Association shall have the right, but not the obligation, to do), or to pay for the cost of repairing, replacing or cleaning up any item which, although the responsibility of the Association, is necessitated by reason of the willful or negligent act of the Owner, his or her family, tenants, guests, with the cost thereof to be added to and become part of the Owner's next chargeable Assessment;
- (d) An Owner shall not be liable for injury or damage to person or property caused by or resulting from the Owner's maintenance or lack of maintenance of the Unit or any Limited Common Element appurtenant thereto except if the Owner has failed to exercise due care in performing said maintenance. An Owner shall not be liable to any other Owner, or any Owner's occupant, guest or family or the Association for any damage or injury caused in whole or in part by the Owner's failure to discharge its responsibilities under this Section where such damage or injury is not a foreseeable, natural result of the Owner's failure to discharge its responsibilities.

Section 5.4 Inspection, Repair and Replacement of Designated Owner Maintenance Components.

The Association shall have the right, but not the obligation, to conduct a periodic inspection, on a schedule to be determined by the Board of Directors, of designated Owner maintenance components as may be set forth in the Rules and Regulations. If, in the Board of Directors' sole discretion, the component needs to be maintained, repaired or replaced, the Association may provide such maintenance, repair or replacement (even though such component may be the Owner's responsibility) and the cost of such periodic inspection, maintenance, repair or replacement may be assessed against the Owner of the Unit served by such component pursuant to the following Section of this Declaration.

Section 5.5 Failure to Maintain.

If the Association determines that any Owner has failed or refused to discharge properly his or her obligation with regard to the maintenance, repair, or replacement of items of which he or

she is responsible hereunder, then, except in the case of an emergency, the Association shall give the Owner written notice of the Owner's failure or refusal and of the Association's right to provide necessary maintenance, repair, or replacement at the Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Association.

Unless the Association determines that an emergency exists, the Owner shall have 10 days within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within 10 days. If the Board determines that: (i) an emergency exists or (ii) that an Owner has not complied with the demand given by the Association as provided in this Section; then the Association may provide any such maintenance, repair, or replacement at the Owner's sole cost and expense, and such costs shall be added to and become a part of the Assessment to which such Owner is subject, shall become and be a lien against the Unit, and shall be collected as provided in this Declaration for the collection of Assessments.

If the Board determines that the need for maintenance or repair is a Common Expense and is caused through the willful or negligent act of any Owner, or occupant or their family, guests, lessees, or invitees, then the Association may assess the cost of any such maintenance, repair, or replacement against the Owner's or occupant's Unit, shall become a lien against the Unit, and shall be collected as provided in this Declaration for the collection of Assessments.

ARTICLE 6 COVENANT FOR COMMON EXPENSE ASSESSMENTS

Section 6.1 Creation of Association Lien and Personal Obligation to Pay Common Expense Assessments.

Each Owner, by acceptance of a deed for a Unit, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association annual Common Expense Assessments, Special Assessments, Supplemental Assessments and such other Assessments as imposed by the Association. Such Assessments, including fees, charges, late fees, attorney fees, fines and interest charged by the Association and additional fees charged by the managing agent, including but not limited to, administration and witness fees, and/or any other charges that may be assessed and/or levied or may be agreed to in the process of collecting past due Assessments, including but not limited to, credit card convenience fees from whatever source, shall be the personal obligation of the Owner of such Unit at the time when the Assessment or other charges became or fell due.

The annual Common Expense Assessments and such other Assessments as imposed by the Association, including fees, charges, late fees, attorney fees, fines and interest charged by the Association, shall be a charge on each Unit and shall be a continuing lien upon the Unit against which each such Assessment or charge is made. If any Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment becomes due. The

personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them. No Owner may become exempt from liability for payment of the Common Expense Assessments by waiver of the use or enjoyment of the Common Elements or by abandonment of the Unit against which the Common Expense Assessments are made.

All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof shall be permitted by any reason including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration. Except as provided in this Declaration, all Common Expense Assessments shall be assessed against all Units in proportion to each Owner's interest in and to the Common Elements as set forth in Exhibit B of this Declaration.

Section 6.2 Basis of Assessments.

The Common Expense Assessment may be made on an annual basis against all Units and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such Assessment year.

Section 6.3 Annual Assessment.

Common Expense Assessments shall be allocated as set forth in Exhibit B of this Declaration and shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The budget for annual Assessments shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The budget may be vetoed by votes of Owners representing sixty-seven percent (67%) of the total Association vote. Common Expense Assessments shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy the Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

Section 6.4 Special Assessments.

In addition to other authorized Assessments, the Association may levy Special Assessments from time to time to cover previously unbudgeted expenses or expenses in excess of those budgeted, including, without limitation, the costs of any construction, restoration, or unbudgeted repairs or replacements of capital improvements that are not covered by the general reserve fund. The proposed Special Assessment shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. A proposed Special Assessment will be ratified unless Owners representing a majority of the votes allocated to the Units that will be subject to the special Assessment vote, either in person or by proxy, to reject the Special Assessment at a meeting called for such

purpose. Special Assessments shall be allocated on an equal basis amongst all Units, and not as set forth in Exhibit B. Special Assessments may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved. The Board shall have the right to require that Special Assessments be paid in advance of the provision of the subject services or materials.

Section 6.5 Supplemental Assessments.

The Association shall have the right to add to any Owner's Assessment as provided in this Article the following:

- (a) Those amounts expended by the Association for the benefit of any individual Unit or any occupant thereof, including but not limited to: Unit insurance; maintenance, repair and replacement specific to a Unit; maintenance, repair and replacement caused by the negligent or willful acts of any Owner, his or her guest, employee, licensee, lessee or invitee as set forth in this Declaration;
- (b) Any extraordinary maintenance, repair, and replacement costs of any area which the Association maintains required on fewer than all the Units;
- (c) Any extraordinary insurance costs incurred as a result of the value of a particular Owner's Unit or the actions of an Owner (or his agents, guests, licensees, invitees or lessees);
- (d) All fines and costs assessed against an Owner pursuant to the Governing Documents;
- (e) Costs and fees related to the leasing of Units, including but not limited to, annual leasing fees, deposit fees, and administrative fees and other fees as may be clarified in any Rules and Regulations adopted by the Board;
- (f) Costs and fees related to the keeping of pets within the Property, including but not limited pet ownership fees and other such fees as may be clarified in the Rules and Regulations adopted by the Board;
- (g) Move-in and move out fees, as may be clarified in the Rules and Regulations adopted by the Board; and
- (h) Any other expenditures or charges which the Board, in its sole discretion, chooses to allocate to a Unit and are reasonably determined to be allocable to a particular Unit.

If the Board chooses to levy a Supplemental Assessment against more than one Unit for the

same Common Expense costs or fees, such Supplemental Assessment shall be levied equally amongst all such Units.

Section 6.6 Application of Payments.

All sums collected on a delinquent account referred to an attorney shall be remitted to the Association's attorney until the account is brought current. All payments received on an account of any Owner or the Owner's Unit shall be applied to payment of any and all legal fees and costs (including attorney fees), expenses of enforcement and collection, late fees, returned check fees, lien fees and other costs owing or incurred with respect to such Owner pursuant to the Governing Documents, prior to application of the payment to any special or regular Assessments due or to become due with respect to such Owner.

Section 6.7 Effect of Non-Payment of Assessments.

(a) Any Assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within 10 days after the due date thereof, as established by the Board of Directors, shall bear interest at the rate established by the Board of Directors, on a per annum basis to accrue monthly, from the due date, and the Association may assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Failure to make payment within 60 days of the due date thereof shall cause the total amount of such Owner's Common Expense Assessment for the remainder of that fiscal year to become immediately due and payable at the option of the Board. The Board may, in its discretion, decelerate the Member's annual Assessment.

(c) Further, the Association may foreclose its lien and/or bring an action at law or in equity, or all of the same, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving the Association's lien therefor. Likewise, the obtaining of a money judgment shall not preclude the foreclosure of the Association's lien so long as the judgment remains unsatisfied.

(d) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Unit at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, vote the Association votes

appurtenant to ownership thereof, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any Assessment lien, and an Owner abandons or leaves vacant his or her Unit, the Board may take possession and rent said Unit or apply for the appointment of a receiver for the Unit without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under the Act.

Section 6.8 Assignment of Rents.

If a Unit is rented by its Owner, the rent is hereby pledged and assigned to the Association as security for the payment of all Assessments due by that Owner to the Association. If the Assessments owed by the Owner of a rented Unit are more than 30 days delinquent, the Association may collect, and the occupant or lessee shall pay to the Board, the rent for any Unit owned by the delinquent Owner, or that portion of the rent equal to the amount due to the Association; provided, however, the lessee need not make such payments to the Association in excess of or prior to the due date for monthly rental payments unpaid at the time of the Board's request. The Association shall send notice to the Owner by any reasonable means at least 10 days prior to initiating the collection of rent from the Owner's occupant or lessee. The occupant and/or lessee shall not have the right to question the Association's demand for payment. Payment by the occupant or lessee to the Association will satisfy and discharge the occupant or lessee's duty of payment to the Owner for rent, to the extent of the amount paid to the Association. No demand or acceptance of rent under this Section shall be deemed to be a consent or approval of the Unit rental or a waiver of the Owner's obligations as provided in the Declaration. The Association shall not exercise this power where a receiver has been appointed with respect to a Unit or Owner, nor in derogation of the exercise of any rights to rents by the holder of a first lien security interest of a Unit. If an occupant or lessee fails or refuses to pay rent to the Association as provided for in this Section, the Association shall have the right to bring an action for unlawful detainer for non-payment of rent under Colorado statutes, and the costs and attorney fees incurred by the Association in connection with that action shall be collectable from the occupant or lessee in that action, and from the Owner of the Unit in the same manner as any other Assessment under this Declaration.

Section 6.9 Lien Priority.

The lien of the Association under this Section is prior to all other liens and encumbrances on a Unit except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Unit (except as allowed by the Act with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Unit. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. Sale or transfer of any Unit shall not affect the lien for said Assessments or charges except that sale or

transfer of any Unit pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Unit from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

Section 6.10 Borrowing.

The Association shall have the power to borrow funds and to assign its right to future income, including the right to assign its right to receive Common Expense Assessments.

ARTICLE 7 COVENANTS AND RESTRICTIONS ON USE, ALIENATION AND OCCUPANCY

All Property within the Community shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to review by the Board of Directors) if such strict application would be unreasonable or unduly harsh under the circumstances or is inconsistent with applicable law. Any such modification or waiver must be in writing.

Section 7.1 Use/Occupancy.

All Units within the Community shall be used only for those uses and/or purposes as allowed by the local zoning, control and regulation, and permitted by this Declaration, subject to any Rules and Regulations adopted by the Association. Units shall not be used for any purpose other than a residential dwelling except as set forth in this Section. Home occupations shall be allowed so long as the home occupations are incidental and secondary to the use of the Unit and do not change the residential character thereof, comply with local zoning ordinances and regulations, and comply with this Declaration. External advertising of any kind is prohibited. In no instance shall a home occupation be visible externally, nor shall any home occupation employ any person in the Unit other than the Owner. Uses which have one or more of the following characteristics are not permitted: (a) manufacturing or heavy fabrication of any kind; (b) storage of hazardous materials; (c) increased traffic or parked vehicles beyond that reasonable and customary to a residential dwelling use; (d) permanent or long term parking of heavy equipment, including semi-trailers; (e) the use or rental of any structure on a Unit for any transient, hotel, motel, bed and breakfast, restaurant, bar or other commercial purposes.

Section 7.2 Leasing and Occupancy.

In order to preserve the character of the Community as predominantly Owner-occupied, and to comply with the eligibility requirements for financing in the secondary mortgage market, the

leasing of Units shall be governed by the restrictions imposed by this Section. Except as provided herein, the leasing of Units shall be prohibited. Any Owner shall have the right to lease or allow occupancy of a Unit upon such terms and conditions as the Owner may deem advisable, subject to restrictions of this Declaration, subject to restrictions of record and subject to the following:

(a) Leasing Cap. Owners desiring to lease their Units may do so only if they have applied for and received from the Association either a "Leasing Permit" or a "Hardship Leasing Permit." Such a permit, upon its issuance, will allow an Owner to lease his or her Unit provided that such leasing is in strict accordance with the terms of the permit and this Section. The Association shall have the authority to establish conditions as to the duration and use of such permits consistent with this Section. All Leasing Permits and Hardship Leasing Permits shall be valid only as to specific Owners and Units and shall not be transferable between either Units or Owners; provided, however if a valid lease is in place at the date of transfer of the Unit, that lease may continue until the expiration of the lease term or for a maximum of one year, whichever is earlier.

(i) Applicability. All Owners, whether they are currently leasing their Units or not, upon the effective date of this Declaration shall be entitled to a Leasing Permit after submitting a proper application within the Board specified time frame, notwithstanding the leasing cap percentage limitations set forth in this Section. However, upon conveyance or transfer of a Unit, any grantee of the Unit shall be subject to the provisions of this Section.

(ii) Leasing Permits. An Owner's request for a Leasing Permit shall be approved if current, outstanding Leasing Permits have not been issued for fifty-one percent (51%) of the Units in the Community (i.e. 30 Units).

A Leasing Permit shall be automatically revoked upon the happening of any of the following events: (1) subject to the terms of subsection (a) above, the sale or transfer of the Unit to a person or entity other than the Owner (excluding sales or transfers to (i) an Owner's spouse, (ii) a person cohabitating with the Owner, and (iii) a corporation, partnership, company, or legal entity in which the Owner is a principal); (2) the failure of an Owner to lease his or her Unit within 180 days of the Leasing Permit having been issued; or (3) the failure of an Owner to have his or her Unit leased for any consecutive 180 day period thereafter. The Board may make an exception to the 180 day provision upon written application from the Owner at least 30 days prior to the expiration of the 180 day period that shows the Owner made reasonable efforts to rent the Unit, but has been unable to do so due to market conditions or if the Owner demonstrates an abnormal or hardship reason for the vacancy.

If current Leasing Permits have been issued for 51% of the total Units, no additional Leasing Permits shall be issued (except for Hardship Leasing Permits) until the number of outstanding current Leasing Permits falls below 51% of the total Units in the Community. Owners who have been denied a Leasing Permit shall automatically be placed on a waiting list for a Leasing Permit and shall be issued the same if they so desire when the number of current outstanding Leasing Permits issued falls to less than 51% of the total Units in the Community. The issuance of a Hardship Leasing Permit to an Owner shall not cause the Owner to be removed from the waiting list for a Leasing Permit.

(iii) Hardship Leasing Permits. If the failure to lease will result in a hardship, the Owner may seek to lease on a hardship basis by applying to the Association for a Hardship Leasing Permit. The Association shall have the authority to issue or deny requests for Hardship Leasing Permits in its discretion after considering the following factors: (1) the nature, degree, and likely duration of the hardship, (2) the harm, if any, which will result to the Community if the permit is approved, (3) the number of Hardship Leasing Permits which have been issued to other Owners, (4) the Owner's ability to cure the hardship, and (5) whether previous Hardship Leasing Permits have been issued to the Owner.

A "hardship" as described herein shall include, but not be limited to the following situations: (1) an Owner must relocate his or her residence outside the greater Denver metropolitan area and cannot, within six months from the date that the Unit was placed on the market, sell the Unit except at a price below the current appraised market value, after having made reasonable efforts to do so; (2) where the Owner dies and the Unit is being administered by his or her estate; (3) the Owner takes a leave of absence or temporarily relocates and intends to return to reside in the Unit; and (4) general financial hardship. Hardship Leasing Permits shall be valid for a term not to exceed one year. Owners may apply for additional Hardship Leasing Permits. Hardship Leasing Permits shall be automatically revoked if, during the term of the permit, the Owner is approved for and receives a Leasing Permit.

(b) General Restrictions.

(i) "Leasing" or "Renting" for the purposes of this Declaration, is defined as regular, exclusive occupancy of a Unit by any person other than the Owner; provided, however, for the purposes of this Declaration, leasing shall not include the occupancy of the Unit by the child or parent of an Owner. Additionally, occupancy by a roommate of an Owner who occupies the Unit as such Owner's primary residence shall not constitute leasing under this Declaration

(ii) Short term occupancies and rentals (of less than 90 days) of Units

shall be prohibited. This includes occupancies through the use of VRBO, Airbnb, and the like.

(iii) All leases or rental agreements shall be in writing and shall provide that the leases or rental agreements are subject to all terms of the Governing Documents. Owners are required to provide tenants with copies of the current Declaration, Articles of Incorporation, Bylaws and any Rules and Regulations of the Association.

(iv) Each Owner who leases his or her Unit shall provide the Association, upon request, a copy of the current lease and tenant information, including the names of all occupants, vehicle descriptions, including license plate numbers, and any other information reasonably requested by the Association or its agents.

(v) Each Owner is strongly encouraged to conduct full background checks, including credit and criminal reports, for each lease applicant.

(vi) All occupancies, leases and rental agreements of Units shall state that the failure of the tenant, lessee, renter or their guests to comply with the terms of the Governing Documents shall constitute a default of the occupancy, lease or rental agreement and of this Declaration and such default shall be enforceable by either the Association or the landlord, or by both of them.

(vii) All occupancies of Units shall be subject to the right of the Association to remove and/or evict the occupant for failure to comply with the terms of the Declaration, the Bylaws of the Association, the Articles of Incorporation or the Rules and Regulations of the Association. If the Association requests that the Owner evict the Owner's tenant based on the terms of this Declaration, and the Owner fails to commence such action within 30 days of the date of the Association's request and notice, the Association may commence eviction proceedings. Upon failure by the Owner to comply with the Association's request to evict, the Owner delegates and assigns to the Association, acting through the Board, the power and authority to evict the lessee as attorney-in-fact on behalf of and for the benefit of the Owner. If the Association evicts the lessee, any costs, including, but not limited to, reasonable attorney fees actually incurred and court costs associated with the eviction shall be an Assessment and lien against the Unit.

(viii) Leases shall be for or of the entire Unit.

(ix) All Owners who reside at a place other than the Unit shall provide to the Association an address and phone number(s) where the Owner can be

reached in the case of emergency or other Association business. It is the sole responsibility of the Owner to keep this information current.

(c) Rules and Regulations. The Association shall have the authority to adopt Rules and Regulations regarding leasing, including the implementation of this restriction, and for implementation of other restrictions in the Declaration and as allowed by law. Such Rules and Regulations may include, but not be limited to, the addition of leasing fees and deposits, which may be levied as Supplemental Assessments as set forth in Article 6.

Section 7.3 Acquisitions of Multiple Units.

No Owner who owns or controls two (2) Units in the Community, directly or indirectly through an affiliate of the Owner, shall acquire, whether directly or indirectly through an affiliate of the Owner, any interest in any additional Unit in the Community, whether through purchase, trade, gift, inheritance, lease, merger, consolidation or other means of acquisition. Notwithstanding anything in this Declaration to the contrary, this restriction on acquisition of Units shall not apply to a mortgagee acquiring title to a Unit subject to a mortgage by foreclosure or deed in lieu of foreclosure. This restriction shall be enforceable by the Association or any Owner by means of an action for injunction to restrain any future acquisition or to require an Owner who has violated this restriction to divest any interest so acquired.

Section 7.4 Restrictions on Animals and Pets.

The term "Pet" shall mean and include cats, dogs, hamsters, fish or other household animals, as may be defined in or supplemented by the Rules and Regulations. Up to two (2) Pets may be kept in a Unit if the Pet(s) is/are not a nuisance to other residents. No resident shall maintain or keep any Pet which, in the sole discretion of the Board, is considered to be a danger to the Owners, management staff or occupants in the Community or is otherwise considered to be a dangerous breed, as may be further defined in the Rules and Regulations. Birds and exotic animals, as may be further defined in the Rules and Regulations, are prohibited. Pursuant to Article 6, Section 6.5 of this Declaration, the Board has the right to adopt Rules and Regulations that establish fees related to the keeping of pets within the Property, including but not limited pet ownership fees and other such fees as may be clarified by the Board.

If a Pet is deemed a nuisance by the Association, the resident having control of the Pet shall be given a written notice to correct the problem and if not corrected, that resident will be required to remove the Pet from the Community pursuant to, and in accordance with, any dispute resolution procedures as may be set forth in this Declaration or the Rules and Regulations, if any.

Pets may not be kept for any commercial purposes. Animals are not permitted in the recreational areas. When on other Common Elements, Pets must be on a leash and under control. Feces left by Pets upon the Common Elements or Limited Common Elements, must be

removed promptly by the owner of the Pet or the person responsible for the Pet. Pets shall not be allowed to defecate or urinate on any patio or balcony in the Community. Owners shall hold the Association harmless from any claim resulting from any action of their Pets or the Pets of their tenants, guests or other invitees.

Section 7.5 Antennae.

"Permitted Antennas" are defined as (a) an antenna which is less than one meter in diameter and is used to receive direct broadcast satellite service, including direct-to-home satellite services, or is used to receive or transmit fixed wireless signals via satellite; (b) an antenna which is less than one meter in diameter and is used to receive video programming services via multipoint distribution services, including multichannel multipoint distribution services, instruction television fixed services, and local multipoint distribution services or is used to receive or transmit fixed wireless signals other than via satellite; (c) an antenna which is designed to receive broadcast television broadcast signals; or (d) other antennas which are expressly permitted under applicable federal statutes or regulations. In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on the Unit or Limited Common Element, if applicable, which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt rules regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulation, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station or similar device of any type shall be erected, installed or maintained on a Unit or Common Element.

Section 7.6 Nuisances.

No nuisance shall be permitted within the Community, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which unreasonably offends or disturbs any Owner or which may unreasonably interfere with the peaceful enjoyment or possession or the proper use of a Unit or Common Element, or any portion of the Community by residents.

Section 7.7 Compliance With Other Laws.

No improper, offensive or unlawful use shall be permitted within the Community or any portion thereof. All valid laws, ordinances and regulations of all governmental bodies having jurisdiction over the Community or a portion thereof shall be observed.

Section 7.8 Parking, Storage, and Repairs.

- (a) Parking upon the Common Elements shall be regulated by the Association.
- (b) The following may not be parked or stored within the Community, unless allowed by the Act as an "emergency vehicle": oversized vehicles, trailers (including camping trailers, boat trailers, hauling trailers), boats or other motor-craft and accessories, motorized recreational vehicles, trucks over 1 ton and tractors. The foregoing may be parked as a temporary expedience for loading, delivery of goods or services, or emergency. This restriction shall not apply trucks or other commercial vehicles temporarily located within the Community which are necessary for construction or for the maintenance of the Common Elements, Units, or any improvement located thereon.
- (c) No abandoned, unlicensed, unregistered or inoperable automobiles or vehicles of any kind shall be stored or parked within the Community. An "abandoned or inoperable vehicle" shall be defined by Colorado statutes governing inoperable or abandoned vehicles on public streets, or as defined by rule or regulation adopted by the Association.
- (d) No motor vehicle may impede the safe and efficient use of streets within the Community by residents, obstruct emergency access to/from the Community, or interfere with the reasonable needs of other residents to use the streets or guest parking within the Community.
- (e) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle may be performed or conducted in the Community; provided, however, that minor maintenance such as cleaning the window's vehicle in the parking lot, for example, is permitted, as may be clarified further in the Association's Rules and Regulations.
- (f) If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's Rules and Regulations, the Board may place a notice on the vehicle specifying the nature of the violation and stating that after 72 hours (or such other reasonable timeframe as may be stated on the notice) the vehicle may be towed or booted. The notice shall include the name and telephone number of a person to contact regarding the alleged violation. A notice also shall be conspicuously placed at the Community stating the name and telephone number of the person or entity which will do the towing and/or booting hereunder. If 72 hours (or such other timeframe as stated on the notice) after such notice is placed on the vehicle the violation continues or thereafter occurs again within six months of such notice, the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user,

and the owner thereof shall be solely responsible for all towing and storage charges.

(g) If a vehicle is blocking another vehicle or access to another Owner's or occupant's parking space, is obstructing the flow of traffic, is parked in a space which has been assigned as exclusively serving another Unit, is parked in the area in front of the building marked "no parking", or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed or booted immediately.

(h) If a vehicle is towed or booted in accordance with this Section, neither the Association nor any officer or agent of the Association shall be liable to any person for towing and storage costs or for any claim of damage as a result of the towing or booting activity. The Association's right to tow or boot is in addition to, and not in limitation of all other rights of the Association, including the right to assess fines. Notwithstanding anything to the contrary in this Section, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Section 7.9 Restrictions on Clotheslines and Storage.

Except for retractable clotheslines which comply with reasonable aesthetic regulations adopted by the Board and except as otherwise permitted by Colorado law, no clotheslines or drying areas shall be installed, allowed, kept, maintained or permitted in the Community.

Section 7.10 Use of Common Elements.

Nothing shall be altered on, constructed in, or removed from the Common Elements without the prior written approval of the Association. There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements without the prior written approval of the Association.

Section 7.11 No Annoying Lights, Sounds or Odors.

No light shall be emitted from any portion of the Community which is unreasonably bright or causes unreasonable glare, and no sound or odor shall be emitted from any portion of the Community which would reasonably be found by others to be noxious or offensive. Without limiting the generality of the foregoing, no exterior spot lights, searchlights, speakers, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Community except with the prior written approval of the Association.

Section 7.12 Compliance with Insurance Requirements.

Except as may be approved in writing by the Association, nothing shall be done or kept on the Community which may result in a material increase in the rates of insurance or would result in the cancellation of any insurance maintained by the Association.

Section 7.13 Restriction on Signs and Advertising Devices.

(a) Except as provided in this Section, no sign, poster, billboard, advertising device or display of any kind, including "For Sale" or "For Rent" signs, shall be erected or maintained anywhere on a Unit or in the Common Elements except such sign or signs as may be approved in writing by the Association.

Section 8.12 Liability.

The Board and the members thereof, as well as any representative of the Board designated to act on its behalf, shall not be liable in damages to any person submitting requests for approval or for any approval, or failure to approve or disapprove in regard to any matter within its jurisdiction under these covenants. Section 9.3 Owner Insurance Responsibilities.

Unit Owners are specifically responsible for maintaining insurance which covers his or her Unit to the extent not covered by policies maintained by the Association, as set forth in Exhibit C of this Declaration. Owners are also responsible for general liability insurance within a Unit. The liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished by reason of any insurance carried by Unit Owners. The policies of insurance carried by the Association shall be primary, even if a Unit Owner has other insurance that covers the same loss or losses as covered by policies of the Association. The Association's insurance coverage, as specified in this Declaration, and under the Act, does not obviate the need for Unit Owners to obtain insurance for their own benefit.

Section 9.4 Association Flood Insurance.

The Association shall obtain flood insurance to the extent required by the Federal Emergency Management Agency (FEMA) or any other governmental agency.

Section 9.5 Association Liability Insurance.

- (b) All policies of insurance shall contain waivers of subrogation against any Owner or member of his or her household.
- (c) All policies of insurance shall contain waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without at least 30 days prior written notice to all of the Owners, holders of first lien security interests and the Association.
- (d) If requested, duplicate originals of all policies and renewals thereof, together with proof of payments of premiums, shall be delivered to all Eligible Mortgage Holders at least 10 days prior to the expiration of the then-current policies.

(e) All liability insurance shall include the Association, the Board, the manager or managing agent, if any, the officers of the Association, holders of first lien security interests, their successors and assigns and Owners as insureds.

(g) All policies of insurance of the Association shall be primary, providing the primary insurance of the loss, if there is other insurance in the name of the Owner.

(h) All policies of insurance shall provide that the insurance thereunder shall not be invalidated, suspended, voidable or have any condition of recovery due to an act or omission by any Owner, only in respect to the interest of any particular Owner guilty of a breach of warranty, act, omission, negligence or non-compliance of any provision of such policy, including payment of the insurance premium applicable to the Owner's interest, or who permits or fails to prevent the happening of any event, whether occurring before or after a loss, which under the provisions of such policy would otherwise invalidate or suspend the entire policy, but the insurance under any such policy, as to the interests of all other insured Owners not guilty of any such act or omission, shall not be invalidated or suspended and shall remain in full force and effect.

(i) Prior to obtaining any policy of casualty insurance or renewal thereof, pursuant to the provisions hereof, the Board may obtain an appraisal from a duly qualified real estate or insurance appraiser, which appraiser shall reasonably estimate the full replacement value of the Units and the Common Elements, without deduction for depreciation, review any increases in the cost of living, and/or consider other factors, for the purpose of determining the amount of the insurance to be effected pursuant to the provisions hereof. In no event shall any casualty insurance policy contain a co-insurance clause.

Section 9.12 Managing Agent Insurance.

The manager or managing agent, if any, shall be adequately insured for the benefit of the Association and shall maintain and submit evidence of such coverage to the Association, including professional liability or errors and omissions insurance, workers' compensation, unemployment and fidelity coverage. The Association may indemnify its managing agent,

except for that agent's intentional acts or omissions or negligence outside the scope of their duties and obligations to the Association, or outside of direction from or of the Association.

Section 9.13 Annual Association Insurance Review.

The Board shall review the insurance carried by and on behalf of the Association at least annually.

Section 9.14 Adjustments by the Association.

Any loss covered by an insurance policy described above shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association and not to any holder of a first lien security interest. The Association shall hold any insurance proceeds in trust for the Association, Owners and holders of first lien security interests as their interests may appear. Proceeds must be distributed first for the repair or restoration of the damaged property. The Owners and holders of first lien security interest are not entitled to receive payment of any portion of the proceeds. The Association may determine how a surplus of proceeds, if any, shall be utilized.

Section 9.15 Responsibility for Payment of Deductible Amount.

Whether the Board, in its discretion, chooses to submit a claim under the Association insurance policies or not, the payment of the deductible amount for claims which the Association is responsible for insuring shall be as follows:

(a) The Association shall pay or absorb the deductible amount for any work, repairs or reconstruction for damage to Common Elements unless the damage is the liability of an Owner, his family, guests, or invitees, as set forth in this Declaration, in which case the Association shall seek reimbursement of the deductible amount as an Assessment in compliance with and under the terms of this Declaration. Any Owner who receives the proceeds of any Association insurance shall be responsible for the payment of the deductible in proportion to the percentage of insurance proceeds received. Such deductible shall be due within 10 days of notification and shall be considered a Common Expense Assessment allocated directly to the Unit and shall be collected as provided in this Declaration.

(b) The Owner shall pay or absorb the deductible for any loss to the Unit that would be the responsibility of the Owner in the absence of insurance unless: (1) the loss is caused by the negligent or willful act or omission of the Association or another Owner, in which case the negligent party shall be responsible for the deductible, or (2) the loss is caused by the failure of another Owner to maintain any portion of the Unit, including any appliance, equipment, or fixture in a Unit, which that Owner is responsible to maintain in good working order and condition, in which case the Owner who has failed to maintain

any such portion of the Unit resulting in damage to another's Unit will be responsible for the deductible. If a negligent Owner or Owner who fails to maintain their Unit as provided in this Declaration fails to pay the deductible for damage to a Unit, the Association may, but shall not be obligated to seek the deductible on behalf of the Owner suffering the loss as provided in this Declaration for the collection of Assessments.

Section 9.16 Duty to Repair.

Any portion of the Community for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association or Owner.

Section 9.17 Condemnation and Hazard Insurance Allocations and Distributions.

In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Owners, the distribution shall be as the parties with interests and rights are determined or allocated by record and pursuant to the Act.

Section 9.18 Insurance Assessments.

If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. This Assessment shall not be considered an Assessment as discussed in this Declaration and shall not require any vote or ratification of the Owners.

Section 9.19 Payment of Claims to Delinquent Owners.

Notwithstanding anything to the contrary in this Declaration, in the event of an insured loss under the Association's master hazard insurance policy for which the Association receives from the insurer payment for a loss sustained by an Owner who is delinquent in the payment of Assessments owed to the Association under this Declaration, then the Association may retain and apply such proceeds recovered to the delinquency. Any surplus remaining after application of the proceeds to any delinquency shall be paid by the Association to the affected Owner.

Eligible Mortgage Holders shall be entitled to: (a) timely written notice from the Association of any default by a mortgagor of a Unit in the performance of the mortgagor's obligations under this Declaration, the Articles of Incorporation, the Bylaws or the Rules and Regulations, which default is not cured within 60 days after the Association learns of such default; (b) examine the books and records of the Association during normal business hours; (c) receive a copy of financial statements of the Association, including any annual audited financial statement; (d) receive written notice of all meetings of the Members of the Association; (e) designate a representative to attend any such meetings; (f) written notice of any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association; (g) written notice of abandonment or termination of the Association of the plan contemplated under this Declaration; (h) 60 days written notice prior to the effective date of any proposed amendments of a material adverse nature to first mortgagees to this Declaration, the Articles of Incorporation, or the Bylaws; (i) 60 days written notice prior to the effective date of termination of professional management of the Association or the Common Elements, when professional management had been required previously under the legal documents for the Community or by an Eligible Mortgage Holder; and (j) immediate written notice as soon as the Association receives notice or otherwise learns of any damage to the Common Elements or to the Unit on which the Eligible Mortgage Holder holds a security interest, if the cost of reconstruction exceeds \$20,000.00 and as soon as the Association receives notice or otherwise learns of any condemnation or eminent domain proceedings or other proposed acquisition with respect to any portion of the Common Elements or any Units.

Section 10.3 Special Approvals.

Unless at least 51% of the Eligible Mortgage Holders of first lien security interests (based on one vote for each mortgage owned) of Units in the Association and requisite Owners have given their written approval, neither the Association nor any Member shall (a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements or any improvements thereon which are owned, directly or indirectly, by the Association (except that the granting of access easements, utility easements, drainage easements and water facilities easements or easements for other public purposes consistent with the intended use of such Property by the Association shall not be deemed within the meaning of this provision); (b) change the method of determining the obligations, Assessments or other charges which may be levied against Members or the method of allocating distributions of hazard insurance policy proceeds or condemnation awards; (c) by act or omission change, waive or abandon any scheme or regulation, or enforcement thereof, pertaining to architectural approval of improvement of Units, including the architectural design of the exterior appearance of Units, or the upkeep of the Common Elements; (d) fail to maintain the casualty, fire and extended coverage insurance as

elsewhere provided in this Declaration; (e) use hazard insurance proceeds for losses other than the repair, replacement or reconstruction of the improvements which were damaged or destroyed; (f) take action to terminate the legal status of the Community after substantial destruction or condemnation occurs; (g) adopt any amendments to this Declaration of a material adverse nature to first mortgagees; and (h) establish self-management by the Association when professional management has previously been required by the legal documents for the Community or by an Eligible Mortgage Holder. An amendment shall not be deemed material if it is for the purpose of correcting technical errors, or for clarification only. If an Eligible Mortgage Holder of a first lien security interest receives written request for approval of the proposed act, omission, change or amendment by certified or registered mail, with a return receipt requested, and does not deliver or post to the requesting party a negative response within 60 days, it shall be deemed to have approved such request.

Section 10.4 Right to Pay Taxes and Insurance Premiums.

Any holder of a first lien security interest shall be entitled to pay any taxes or other charges which are in default and which may or have become a lien against a Unit or any of the Common Elements and may pay any overdue premiums on hazard insurance policies or secure new hazard insurance coverage for the Common Elements or Units.

ARTICLE 11 GENERAL PROVISIONS

Section 11.1 Compliance and Enforcement.

(a) Every Owner and occupant of a Unit shall comply with the Governing Documents, and each Owner shall have the right to enforce the covenants and restrictions, as set forth in this Declaration.

(b) The Association may enforce all applicable provisions of this Declaration, and may impose sanctions for violation of the Governing Documents. Such sanctions may include, without limitation:

(i) imposing reasonable monetary fines, after notice and opportunity for a hearing, which fine shall constitute a lien upon the violator's Unit;

(ii) suspending the right to vote and the right to use Common Elements;

(iii) exercising self-help (including, but not limited to, performing such maintenance responsibilities which are the Owner's responsibility under this Declaration and assessing all costs incurred by the Association against the Unit and the Owner as an Assessment) or taking action to abate any violation of the Governing Documents;

(iv) requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Unit in violation of the Governing Documents and to restore the Unit to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed, at the Owner's expense, and any such action shall not be deemed a trespass, with all fees and costs in connection with such removal and restoration to be assessed to the Owner as an Assessment under the terms of this Declaration;

(v) without liability to any person, precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration from continuing or performing any further activities in the Community;

(vi) levying specific Assessments to cover costs incurred by the Association to bring a Unit into compliance with the Governing Documents; and

(vii) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

(c) In addition to any other enforcement rights, if an Owner fails to properly perform his or her maintenance responsibility, or otherwise fails to comply with the Governing Documents, the Association may record a notice of violation against the Owner and the Unit.

(d) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, the prevailing party shall be entitled to recover all costs, including, without limitation, attorney fees and court costs, reasonably incurred in such action.

(e) The decision of the Association to pursue enforcement action in any particular case shall be left to the Board's discretion, subject to the duty to exercise judgment and be reasonable, as provided for in this Declaration, and further restricted in that the Board shall not be arbitrary or capricious in taking enforcement action. A decision of the Association not to pursue enforcement action shall not be construed as a waiver of the Association's right to enforce such provisions at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule. Without limiting the generality of the foregoing, the Board may determine that, under the circumstances of a particular case:

(i) the Association's legal position is not strong enough to justify

taking any or further action;

(ii) the covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or

(iii) that it is not in the Association's best interests, based upon hardship, expense, limited effect on other Members or other reasonable criteria, to pursue enforcement action.

Section 11.2 Attorney Fees.

If an Owner fails to pay any Assessment or any other amount due to the Association as provided in this Declaration, the Association may require reimbursement for reasonable attorney fees and costs without the necessity of commencing a legal proceeding. If an Owner or an Owner's family member, guest, tenant, invitee or licensee fails to comply with any other provision of the Governing Documents, the Association may seek reimbursement for reasonable attorney fees and costs incurred as a result of such failure to comply, without the necessity of commencing a legal proceeding. In a legal proceeding in any way related to the Governing Documents or the Community, the court shall award to the party prevailing on each claim the prevailing party's reasonable attorney fees and costs incurred in asserting or defending the claim. Such reasonable attorney fees and costs, if awarded against an Owner, shall be charged as an Assessment and shall constitute a lien against the Unit.

Section 11.3 Severability.

Each of the provisions of this Declaration shall be deemed independent and severable. If any provision of this Declaration or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of this Declaration which can be given effect without the invalid provisions or applications.

Section 11.4 Term of Declaration.

The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 11.5 Amendment of Declaration by Owners.

Except as otherwise provided in this Declaration, any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended, revised, removed or repealed, and new provisions, covenants, conditions, restrictions or equitable servitudes may be added, at any time and from time to time upon approval of Owners holding at least fifty-one percent (51%) of the total Association vote and 51% of Eligible Mortgage Holders. Any such amendments shall be certified on behalf of the Association by an officer of

the Association designated for that purpose or, in the absence of designation, by the president of the Association. Notice of any meeting at which a proposed amendment will be considered shall state the fact of consideration and the subject matter of the proposed amendment. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of the City and County of Denver, State of Colorado of a certificate setting forth the amendment in full and certifying that the amendment has been approved as set forth above, and containing the written consent and approval of the Association.

Section 11.6 Amendment of Declaration by the Association.

The Association shall have the authority to amend, revise, remove, repeal or add any provision to this Declaration, without Owner or mortgagee approval, in order to conform with any applicable state, city or federal law, and/or to bring the Declaration into compliance with applicable rules and regulations of the Federal National Mortgage Association ("Fannie Mae"), the Department of Housing and Urban Development ("HUD") and the Veterans Administration ("VA") pursuant to federal law.

Section 11.7 Captions.

All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any paragraph, section or article hereof.

Section 11.8 Interpretation.

The provisions of this Declaration shall be construed to effectuate their purposes of creating a uniform plan for promoting and effectuating the fundamental concepts as set forth in this Declaration. The Board of Directors shall have the authority to interpret the meaning of any provision contained in this Declaration. This Declaration shall be construed and governed under the laws of the State of Colorado.

Section 11.9 Singular Includes the Plural.

Unless the context otherwise requires, the singular shall include the plural, and the plural shall include the singular, and each gender referral shall be deemed to include the masculine, feminine and neuter.

Section 11.10 Conflict of Provisions.

In case of conflict between this Declaration and the Articles of Incorporation or the Bylaws, this Declaration shall control. In the case of conflict between the Articles of Incorporation and Bylaws, the Articles of Incorporation shall control.

Section 11.11 Challenge to this Amendment.

All challenges to the validity of this amendment must be made within one year after the date of recording of this document.
