Design Review Committee

Owner's Name _____
Address _____ Unit Number _____
Mobile Phone _____ Work Phone _____ Home Phone _____

I wish to make the following modification to the common area or exterior of the residence building located at _____

- Windows Painting Patio Deck Patio Slab Patio Cover
- Basketball Goal Foot Path Garden Flower Bed
- Other _____

Description of Modification - attach plans, drawings with measurement & specifications

- Standard Dark Bronze Window Frame color matching HOA will be used for window replacement.
- Standard Black Window Frame color will be used for window replacement.

Proposed Completion Date _____

The Design Review Committee (DRC) has 30 days from receipt of this application to render a decision. I/we understand that written approval of the DRC is required prior to the start of any work to modify the common area. When written DRC approval is received, the project will be started within thirty (30) days and completed within thirty (30) days of the Proposed Completion Date noted above. If unable to begin or finish within the stated time-frame, written communication to the DRC is required. Should a building permit or approval from Arapahoe County be required, I/we understand it is my/our responsibility to obtain said approval or building permit before starting work.
