TCP Summer BBQ 2021

What a great party! There were more than forty people in attendance at this successful event. Good food, fun, and conversation. There was something for everyone. Thank you to all who participated. We look forward to seeing you at our Halloween Social Event on Saturday October 30th.

Emergency Office Contact

When reporting building emergencies, always voice call. Emergencies could include building utilities such as heat or hot water. Texts or emails could go unnoticed or result in delayed response. Feel free to leave a voice message or send an email for general communication when an immediate response is not required. 303.333.9994 is a landline and does not receive texts.

In an emergency, call 303.333.9994 first. If the onsite manager is unavailable you will be prompted to call Weststar Management at 720.941.9200.

In case of a life threatening
emergency always call 911

Noise

Stomping, barking, screaming, shouting, banging, yelling, whining, honking, pounding, rumbling, loud music, TV, and sound, you get it.

There is no doubt that with 99 units, and so many people living in close proximity to one another we will hear and be bothered by noises. But, there is no doubt that we can each do our part to control the noise coming from our units.

Our old mailboxes have been donated to a non-profit charity that helps people transition from being homeless to finding a home.

Trash And Recycling

Again, please do not put household garbage or recycling in the convenience receptacles in the garage. Use the trash or recycling bins.

Street Sweeping

Avoid a \$50 parking ticket. Don't park on the West side of Williams Street on the first Tuesday and the East side of Williams on the first Wednesday of each month.
