A stucco facade gives this two-story medical/office building at **4999 E Kentucky Avenue** in Denver, Colorado a moderate air of distinction. Recently, three spaces have opened up for lease, two built out as medical spaces, the third as either medical or office in gray shell condition. This property resides along a peaceful tree-lined environment with ample onsite parking, a conference room with walls of glass for natural lighting, and the comfort of knowing that there is secure access after hours.
