A rare opportunity of a 2,903 sf End Cap space has recently opened for Lease in the Assistance League Plaza strip center located on E Evans Avenue in Denver, Colorado just west of S Monaco Pkwy. This property has high visibility from both east and west directions from the dense traffic counts averaging 39,294 vpd to 45,872 vpd. Established neighborhoods in surrounding areas combined with a huge newly constructed apartment community on twelve acres of land (formerly the old K-Mart center) on Monaco and Evans affords a potential strong customer base. Most recently, new construction of a gas station/convenience store, QuikTrip, and a newly renovated McDonald's are adjacent to the property. Further, entrance off and onto I-25 from Evans is only a few moments away heading west on Evans. This End Cap space for lease is an opportunity well worth looking into.
